

# THRASHER LMD

## LAST MILE DELIVERY

Last Mile Delivery vehicles have become common to see in both business and residential locations. LMD vehicles are tough on tires with many stops, starts, and turns as part of their regular day. Engineered and tested as a proven durable and reliable tire, the Thrasher LMD surpasses the challenge of these vehicles and their daily work environments.

### FEATURES & BENEFITS

- Sidewall protectors to ensure longevity
- Deeper tread depth for longer life
- Wider footprint for improved stability
- Reinforced 10 ply construction increases carrying capacity over comparable LT sizes

\*Note: 225/75R16C LCC = 3197 lbs vs.  
LT225/75R16 10PR = 2680 lbs
